Sensei!
Aoitsuki
About last time sorry!
It's okay! By the way
You look kind of depressed ?

—Sensei
Did you lose someone you love?
Sensei seems down.
You're so...
observant, Aoitsuki
Kisaragi—

Because
I like sensei
What brings you here Aotsuki?
Thought you've been ignoring us lately?
Haha
Is he that good?
That's right
Why are you asking this?
Nee
If there was a really bad guy who also likes him
What do you think of that?
This means...
The sex is good?

That's right that s probably the only good thing
Yeah
Ha ...
Is that so?
Because sensei can't forget about him
That's why he's so sad
But
Sensei doesn't know that he will never come back

Sensei...
You'd be better off forgetting about him----
